

C.R. 

I have discussed this case with D.B. and we agree that there is a security risk here. I have also spoken of it to Arnold, who tells me there is a possibility that Ionticorov might get a job at Liverpool University. Will you discuss the case with Gaggers. It is clearly not up to purge standards but nevertheless we cannot feel happy that he should remain where he is.

D.C. 10. 5. 50.

Roger Tottolis.
